

To Whom It May Concern,

I strongly recommend Mateus de Freitas Bonette, with whom I had the pleasure of working recently on our team. During his time with us, he stood out for his professionalism, autonomy, and proactivity, carrying out his responsibilities with a high level of commitment and quality.

His departure from the company was due to an organizational restructuring resulting from a strategic partnership that led to the outsourcing of our communications department, making his position redundant – and not due to any performance-related issues.

Throughout the time we worked together, he consistently demonstrated strong adaptability, a sense of ownership, and initiative in anticipating problems and proposing solutions. He is a reliable professional who quickly adds value and performs effectively with minimal supervision.

I am confident that he will be an excellent addition to any team and recommend him without reservation.

Sincerely,
